THE LEGENDARY DANUBE

JUNE 27, 2017 | DAY 1: Arrive in Prague, Czech Republic.

Welcome to Prague, capital of the Czech Republic. This fascinating city straddles the Vltava River with domes, cupolas, spires, and pinnacles highlighting its skyline. The remainder of the day is free to start exploring.

DAY 2: Prague.

Prague is a 1,200-year-old city preserved in time, and, unlike other Central European capitals, it was not bombed during the 20th-century wars. A LOCAL GUIDE shows you its best-known treasures, such as the Old Town's Astronomical Clock, built in 1410 and once the envy of all of Europe; HRADČANY CASTLE GROUNDS; St. Vitus Cathedral; and the Charles Bridge, the oldest bridge in Prague. Browse the shops for hand-cut crystal or art books. Mix with the locals in Wenceslaus Square, an important meeting point and where people demonstrated against the communist regime; or watch performers on Charles Bridge. (B)

DAY 3: Prague.

Enjoy a free day to explore at your own pace. Perhaps visit the Communist Museum or stroll along the Vltava River. Your Cruise Director will have suggestions for things to do. (B)

DAY 4: Prague–Nuremberg, Germany (Cruise Embarkation).

After lunch, drive to Nuremberg, where your river cruise vessel is docked. Before dinner, meet your crew for a welcome reception. (B,D)

DAY 5: Nuremberg–Roth.

This morning the choice is yours—join a Certified Local Guide for a NUREMBERG RALLY GROUNDS tour or GUIDED SIGHTSEEING of the nearby town of Roth. This delightful town, with its half-timbered houses and market square, is also an industrial center for textile manufacturing. In contrast, take pictures of Schloss Ratibor, an ancient hunting lodge, built in 1535, with a most picturesque inner courtyard. Roth is also the scene for one of Europe's most important annual triathlons. (B,L,D)

DAY 6: Regensburg.

Arrive in Regensburg today. Dating back to the time of the Celts around 500 BC, Regensburg is one of Germany's best preserved medieval cities. Established during the Holy Roman Empire and the only German city not bombed during WWII, Regensburg has at least 1,300 listed buildings of "historic interest." Architectural highlights of your GUIDED WALK include the Altes Rathaus (Old Town Hall), built in the 13th century, and Porta Pretoria, gates to an ancient Roman fort built in 179 AD. Wander through the city's lanes and alleys

June 27 – July 7, 2017 | 11-day river cruise from Prague to Budapest

to discover the many mansions with high towers. Wealthy families built these towers to emphasize their status and wealth during the Middle Ages, and many still remain today. (B,L,D)

DAY 7: Passau.

This morning, dock in Passau. Uniquely located where the Inn, Ilz, and Danube Rivers converge, Passau is a maze of narrow cobblestone streets lined with beautiful patrician houses. St. Stephen's Cathedral, a masterpiece of Italian baroque architecture, houses one of the world's largest church organs with 17,774 pipes. Take in the highlights on the included GUIDED WALK. Alternatively, choose from several full-day optional excursions while your ship continues to sail into Austria. Rejoin your vessel in the late afternoon. (B,L,D)

DAY 8: Melk, Austria—Vienna.

This morning, enjoy an included GUIDED VISIT of Melk's magnificent 11th-century BENEDICTINE ABBEY, one of Europe's largest monasteries. The abbey houses an ornate library with over 80,000 printed books and 2,000 manuscripts. You'll be captivated by the splendor of the church with its frescoed ceilings, stunning high altar, marble statues, and 210-foot-high cupola. The view from the terrace over the Danube and surrounding countryside is breathtaking! Then, cruise through the picturesque Wachau Valley, a UNESCO World Heritage Site. Pass the magnificent baroque Stiftskirche with its blue façade, the landmark of Dürnstein, before arriving in Vienna this evening. Known as the

"City of Music," it inspired the creative genius of Mozart, Beethoven, and Strauss. An optional concert is available tonight. (B,L,D)

DAY 9: Vienna.

Once the center of the mighty Habsburg Empire, Austria's magical capital on the blue Danube is a showcase of gilded architecture. This is home to the lavish Hofburg Imperial Palace complex with its Vienna Boys' Choir and dazzling Lipizzaner stallions; the neorenaissance Vienna Opera House; and awe-inspiring St. Stephen's Cathedral—plus, countless other sights shown to you by your LOCAL GUIDE during your included CITY TOUR. In the late afternoon, leave Vienna for Budapest. (B,L,D)

DAY 10: Budapest, Hungary.

Spanning the banks of the Danube, Budapest is one of Eastern Europe's liveliest cities. Whether you're seeing the sights, shopping for handcrafted embroidery or Herend porcelain, or basking in the coffee house culture Budapest's unique energy is positively palatable. On your GUIDED SIGHTSEEING TOUR, see Heroes' Square as well as the

massive hilltop castle complex with its remarkable Fishermen's Bastion and 11th-century Matthias Church, the coronation spot of several Hungarian monarchs. Be sure to take note of the city's eight bridges— many famous sights in and of themselves— which connect ancient Buda on the right bank with Pest on the left. You may even want to walk across Chain Bridge, built in 1849 and a symbol of Budapest. Perhaps visit St. Stephen's Basilica; shop at the Great Market Hall and purchase paprika at one of its 180 vendor stalls; wander around the Royal Palace grounds; or stroll along Váci utca, the main shopping street. (B,L,D)

JULY 7, 2017 | DAY II: Budapest (Cruise Disembarkation).

Your vacation ends with breakfast this morning. (B)

CRUISE-ONLY OPTION IS AVAILABLE. PLEASE INQUIRE FOR FURTHER DETAILS.

CANADIAN CELIAC ASSOCIATION – VANCOUVER CHAPTER

Can you imagine being sick after every meal, being weak and tired all the time, and having a wide range of symptoms that your doctor cannot diagnose? That is what life is like for over 46,000 British Columbians who struggle with undiagnosed Celiac Disease. Celiac Disease is an autoimmune disorder that has over 300 different symptoms or no symptoms at all, yet damage is still being done to the body. This explains why it takes an average of 12 years to be diagnosed. And because Celiac Disease affects our entire immune system, eating gluten-free is only the first step in regaining our health.

Established in 1979 by a doctor and parents concerned for their children, the Canadian Celiac Association—Vancouver Chapter is 100% managed by volunteers. Your donations will allow us to fund valuable research, provide evidence-based information to the public to assist in earlier diagnosis, and support for those diagnosed to change their lifestyles, follow a strict gluten-free diet, and become healthy.

INTRODUCING

AVALON FRESHSM

Think healthy food should also taste good? We do, too. And while Avalon cruises have always provided a selection of nutritious, delicious recipes, in 2017, we are really raising the bar with Avalon Fresh! We've teamed up with two of Europe's rising culinary stars, the Wrenkh brothers, to design an exciting collection of wholesome menu items so mouth-watering, you won't believe they're healthy.

Our focus on fresh, local ingredients from small farms and producers comes together with a splash of innovation that will have you feeling great—as you're eating and throughout your day. We even offer celiac-friendly options.

CHEFS KARL & LEO WRENKH

The Brothers Wrenkh were raised in the first (and up until recently, only) high-quality vegetarian restaurant in Austria. With a family motto, "Eating is Life!" they take cooking very seriously. While Leo attended a classic culinary school, Karl's cooking background has been more casual. Their styles merge using healthy, quality and locally grown ingredients to create foods with international flair.

These Viennese brothers opened the **Wrenkh Vienna Culinary School 2.0** in 2009. Classes include everything from Indian cuisine to forest harvest; team cooking to herb hikes.

Karl and Leo share a lifelong love of good food and a strong desire to provide their guests—in the restaurant and at the culinary school—an unforgettable dining experience.
